

Want to take part in a football tournament?

British Red Cross Mini World Cup

21 June 2018 at the University of Birmingham

This year is the 20th anniversary of Refugee Week.

We invite you and your organisation to come and play football with us on the 21 June 2018 for Refugee Week.

In celebration of this momentous birthday, the organisers have encouraged charities to participate in 20 simple acts which show that refugees are welcome.

One of these 20 simple acts is 'have a kick-about' with people you would not normally have the chance to meet.

We are going to have a fun afternoon of football at the University of Birmingham from 4pm on Thursday 21 June, so if you want to show off your skills or just have some fun, put together a team and enter.

To enter you need 6 or more people.

For more information, please contact Luke Appleton on lappleton@redcross.org.uk.
