

Are you passionate about GROWING things, and GROWING community?

- A unique opportunity to join an extraordinary team of community-builders, neighbours and friends.
- *TogetherWeCan!* – a 3-year (2017-19) intergenerational, community-building project in the multicultural Firs & Bromford neighbourhood (east Birmingham).
- Bringing adults and young people together, growing confidence, skills and connections, increasing participation, and nurturing a flourishing local community life.

'Green Connector' (half-time)

We're looking for a creative, inspiring person with an infectious passion for the natural world, to bring 'hands-on' support to 5 focal green spaces in our neighbourhood, to work with neighbours to develop growing projects, and to build a 'Green Team' of local residents passionate about maintaining, developing and using to the full our local green spaces.

- Half-time (18.5hrs), fixed term contract (18 months), with possibility of extending (subject to further funding).
- Salary scale £10,857 - £11,948 pa (depending on experience)
