## HALOW (Birmingham) – Trustee Vacancies

*Are you passionate about improving our criminal justice system?*

The Help & Advice Line for Offender's Wives, Partners and Families (known as HALOW (Birmingham) for short) has been supporting prisoners' families for over 30 years since a prisoners' wife decided something needed to be done. We have a long and successful track record working with prison establishments across the West Midlands running visitors' centres and initiatives that strengthen family ties throughout the prison sentence and beyond.

Our staff and volunteers currently support over 75,000 family members and significant others visiting prison, including over 15,000 children. As a Trustee you would play a vital role in the growth and development of our rehabilitation projects. We particularly welcome new Trustees with skills in finance, funding, communications and social media.

**Interested?** Please contact our Administrator, Debbie Johnson, for further information and an Expression of Interest Form.

Email: [admin@halowbirmingham.org.uk](mailto:admin@halowbirmingham.org.uk)

**Closing date for applications:** Applications will remain open until positions are filled.
