

A Volunteer Opportunity has arisen at the Fair Trade Shop, based in The Church at Carrs Lane, selling Traidcraft products. Applicants would need some IT skills and would also be involved with office tasks required to keep the Shop running efficiently. Occasionally time in the shop is requested.

It is important that the post is held by a person who is concerned for justice, especially through fairer trade, as part of the mission of the Church. It is also important that applicants are available on a regular basis, ideally once a week at a time to be agreed.

To register an interest please contact Joan Davies, voluntary Shop Coordinator, on 0121 643 6151 or [fair-trade@carrslane.co.uk](mailto:fair-trade@carrslane.co.uk). We look forward to hearing from you.
