Safe Spaces for Young People – Facilitator

Hours 22.5 hours per week (including some evenings and weekends)
Salary £25,225 pro rata

Thrive Together Birmingham is seeking to recruit a Birmingham facilitator to work with churches and Christian led organisations to grow and develop a network of Safe Spaces for Young People. The Vision for Safe Spaces is that every neighbourhood has a space where young people feel safe to connect, participate and build positive relationships.

We aim to do this by mobilising the Christian Community, in all its forms, to play their part and use their resources to make this happen, and to prioritise the needs of young people in their neighbourhood.

We are building a network of safe spaces where at a specified time each week young people are welcomed to gather and can be connected to supportive adults.
