The Fast Track Programme is a unique leadership opportunity, guaranteed to fast track your career by 11 months of big investment and development within TLG. We are looking for individuals with bags of energy, who want to learn, and who are very excited by TLG's mission: to enable local churches to bring hope and a future to struggling children. TLG's internship is not for the fainthearted; it promises to be a hugely rewarding year and we hope that many of our interns will find opportunities to stay in TLG beyond the year.

TLG is working in partnership with Elim Life Church Kingstanding (North Birmingham) to provide a second chance for young people who've been excluded from school. This opportunity is ideal for candidates who are passionate about bringing transformation to young people at every level. It provides a brilliant opportunity for anyone looking to pursue a career in the education or community sector, gaining a year of practice in teaching and working with young people. We also provide the option of a two year internship, including a teaching qualification, paid for by us.

We are looking for individuals who have a strong and vibrant Christian faith. TLG is committed to safeguarding and promoting the welfare of children and young people and expects all staff, including to volunteers, to share this commitment. The successful applicants will be required to undertake a DBS check.
