

Youth Worker

Shirley Baptist Church, Shirley, West Midlands

Are you passionate about seeing young lives changed?

Are you enthusiastic, creative and have a heart for bringing young people to Jesus?

Shirley Baptist Church is looking for a youth worker to join our team and grow this exciting ministry!

We long to see young people give their lives to Jesus and start their adventure with Him. Our youth work is varied and vibrant, seeking to provide opportunity for youth to engage with different groups across the week no matter where they are in their walk with God.

We are looking for someone to take our youth work forward, implementing our vision and taking us beyond where we currently are. You will be involved in the oversight of the youth work, supporting both youth and leaders. We see you being involved in, teaching, building relationships, evangelism, and most importantly, showing the young people what it is to be a follower of Jesus.

You will be working as part of our church leadership team which includes our Minister and Family & Children's Specialists, along with a team of dedicated volunteers and other staff.

We see the youth ministry as a fundamental part of our work at Shirley Baptist Church in spreading the gospel message. We believe that God has more to do at Shirley Baptist Church and that He has an exciting work for us to carry out with the young people. If you believe that you are the person that God is calling to this role, then please contact our church office at office@shirleybaptist.org.uk to receive a full information pack and application form or call 0121 733 8089.

You will be required to present legal proof of your right to work in this country. Any appointment will be subject to the satisfactory completion of a DBS check. It is an occupational requirement for the post-holder to be a committed Christian.
