The Birmingham 2022 Games Churches Together Group is pleased to share ways that your church and community can join in with supporting and enjoying the Games taking place 28 July-8 August.

Apply to be a Games Chaplain:

Volunteers are already being vetted and trained to provide a listening and supportive ministry to spectators, Games volunteers and staff members. A Commonwealth Games KITBAG

The KITBAG has been created to help prepare, train, educate and empower the local grassroots church for a life of sports mission pre, during and importantly post Commonwealth Games 2022 - encouraging the local church to GO, because they can do it!

Every month from now until the games, two things will be provided, an opportunity for anyone to attend sports mission TRAINING to equip and educate individuals/churches and a gathering on the first Monday of each month to PRAY together and check in with people to support them on their journey.

All of the KITBAG information is hosted on the SCUUK web pages including Zoom meeting details etc:

Praying for the Games

The arrival of people from the Commonwealth Nations and Territories into Birmingham, for the Commonwealth Games, presents a God-given opportunity for the Church to radiate the love of God to those from far and near.

Using the word of God in Isaiah 62:10 to lead us, let's pray into the opportunities God has given us:

'Prepare the way for the people'. Let us be a most gracious, generous and welcoming city.

'Build up the highway & remove the stones'. Pray for a safe city, and united church, honouring one another as we seek to work together, to serve and bless.

We pray God's blessing and protection over the city and Games, over all athletes, workers, volunteers, and spectators.

'Raise a banner for the nations'. Pray for the gospel of Christ to be free to flow, and for freedom to those offered Bibles, prayer, healing, counsel, support, to be able to respond to His grace. **Amen**
